1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bruce Troxell on 10/28/04.

The application has been amended as follows:

In claim 1, line 4, "at least one milled face" has been changed to --at least one flat milled face--.

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach nor fairly suggest a hinge arrangement in the entire claimed combination, including a friction part having a circular section having a first end connected to a fitting part; an arched section having a first end connected to the fitting part and the first end of the circular section; with an axial hole and gap to receive a cylindrical shaft with a flat milled face, providing a locked and unlocked state, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should

preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Williams whose telephone number is (703) 305-3438. The examiner can normally be reached on Monday through Friday.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
